Index Volume 10

SUBJECT INDEX (32 Articles)

A. Academic Achievement and Related
1. Academic achievement of junior college transfer students and native university students, 378
2. Estimating average freshman class ability from preliminary information, 161
3. Forecasting college performance from biographical data, 156
4. Iffert revisited: persisters and defaulters, 185
5. Non-academic characteristics and academic achievement, 328
6. Prediction of educational outcomes among junior college students,
7. (The) OAIS as related to academic performance, 254
8. (The) working student: how does he achieve?,

B. Academic Advising (none)

C. Administration and Policy Formulation
1. (The) collision course of higher education, 363
2. Confidentiality of recommendations—is it really necessary? 370
3. Faculty-student relations in the public junior college, 152
4. (The) morality of confidentiality evaluations, 302
5. (A) note on the government of universities, 336

D. Admission and Retention
1. Withdrawal from college, 397

E. College Climate
1. Differential perceptions of college environment, 182
2. Impact of an experimental program on student environmental perceptions, 310

F. Counseling
1. Client evaluation of working experience,
2. Confidentiality expectations of college students: revisited, 264
3. Counseling college freshmen: a three year follow-up,
4. Student appraisal of preregistration college counseling program, 47
5. Student perceptions of student counseling service function, 232
6. Training in behavior therapy: A case study, 296

G. Educational Skills (none)

H. Financial Aids
1. Academic aptitude and achievement of education opportunity grant students, 387
2. Trends in student financial aid, 227

I. Foreign Students and International Education (none)

J. Fraternities and Sororities
1. Conservation, authoritarianism and religiosity of fraternity pledges, 36.
2. Fraternities: now and in the future, 118.

K. Housing
1. (A) case history of student participation in the development of housing policy, 244
2. (An) experiment with a group study program for low achieving freshman males in a residence hall setting,
3. Student-staff evaluation of residence hall environmental conditions, 52.
4. Study conditions in student residence.

L. Orientation
1. Comparison of the leaderless group discussion and the individual interview in selecting student orientation assistants,
2. Experiment in orientation to junior college, 12.

M. Placement and Follow-up (none)

N. Professional Problems
1. ACPA President's Assessment and Proposals for 1969-70,
2. (A) cooperative training program for student personnel,
3. Descriptions of student personnel workers,
4. Differences on some personality variables between deans of men and women, 32.
5. (A) program proposal for preparing college student personnel workers, 249
6. Publishing patterns in the Journal of College Student Personnel, 403
7. Qualifications of educators of counselors and student personnel workers: a symposium, 27.

O. Student Activities and Government
1. (The) college press: Freedom and control, 382
2. College students turn to community action, [illegible].
3. (A) pilot program for the married student,

Note: Each subject area is indicated by a CAPITAL letter and the articles within each subject area are assigned a number. Thus, each article has a code such as C-3, N-5, etc. The number of the first page of each article is shown in italics in both the subject and author index. The subject code for each article also appears after the author's name, thus providing a cross-reference between the two parts of the index—subject and author.
